

MESSAGE TO STAKEHOLDERS

04/09/2019

Subject: Update on the upcoming third meeting of the Intersessional Process considering SAICM and the sound management of chemicals and waste beyond 2020

Dear SAICM stakeholders,

We would like to draw your attention to a number of important items regarding the upcoming third meeting of the Intersessional Process for considering SAICM and the sound management of chemicals and waste beyond 2020 to be held in Bangkok, Thailand, 1 to 4 October 2019. Technical briefings as well as regional and sectoral meetings will take place on 30 September 2019 in Bangkok.

Meeting documents

Please note that meeting documents are now being posted on our web-site:

<http://www.saicm.org/Beyond2020/IntersessionalProcess/ThirdIntersessionalmeeting/tabid/8024/language/en-US/Default.aspx>

Webinar briefing with the co-chairs of the intersessional process, 16 September 2019

A webinar briefing with the co-chairs of the intersessional process will be held on 16 September at the following times to accommodate stakeholders in different time zones. The webinar is open to all SAICM stakeholders and will provide an opportunity for the co-chairs to discuss their expectations and exchange views with stakeholders on the upcoming third meeting.

Time slots

12.00-1.30 p.m. (CEST)

3.00-4.30 p.m. (CEST)

6.00-7.30 p.m. (CEST)

Please confirm your registration here: <https://attendee.gotowebinar.com/rt/5928446151818451468>. Upon registration, you will receive an email confirmation containing further information about the webinar.

Live streaming of IP3

For those unable to attend the meeting, please note that the plenary will be livestreamed from Bangkok for stakeholders. Please refer to the meeting flow for the dates and timing of plenary sessions. Further details will be provided as soon as available.

Technical Expert Workshop on Indicators, Cambridge, United Kingdom, 3-5 September 2019

A technical expert workshop on indicators is being kindly hosted by the Government of the United Kingdom in Cambridge, from 3 to 5 September 2019. The output of the technical expert workshop will serve as an input to the third meeting of the intersessional process. It will also serve as the basis for discussion and deliberation at a technical briefing, open to all SAICM stakeholders, to be held in Bangkok, on 30 September 2019. The agenda and other relevant documents for the workshop may be found here:

<http://saicm.org/Implementation/Reporting/tabid/5462/language/en-US/Default.aspx>

Chemicals and Waste Briefing, Geneva, Switzerland, 10 September 2019

A Chemicals and Waste briefing will be held on the 10 of September in Geneva, Switzerland. The briefing will include information on SAICM and the sound management of chemicals and waste beyond 2020 from the SAICM secretariat to help prepare for the third meeting of the intersessional process.

Agenda: <https://www.genevaenvironmentnetwork.org/10sep2019.html>

Many thanks for working with us to be the change beyond 2020 for the sound management of chemicals and waste. We look forward to seeing you in Bangkok.

Best regards,

SAICM Secretariat
