

TECHNICAL BRIEFING

Technical briefing on financial resources for the sound management of chemicals and waste under the Strategic Approach and the "Beyond 2020" framework

Sunday, 28 August 2022, Bucharest, Romania
3:00pm

Expected duration: 3 hours

Objectives of the technical briefing:

The technical briefing aims to support SAICM stakeholders in their discussions on financial considerations regarding the Strategic Approach and the sound management of chemicals and waste beyond 2020 ([SAICM/IP.4/2](#)), by:

- presenting the results of several studies on financial considerations, possible funding sources, and private sector involvement in the sound management of chemicals and waste; and
- sharing background information on some of the proposals put forward for financing the new "Beyond 2020" instrument.

Format:

Introductory presentations and panelists' presentations on proposals followed by Q&A with participants.

Participation:

The Technical Briefing is open for all SAICM stakeholders.
