

JPN proposed text for the section G: Taking stock of progress

JPN para 1. All stakeholders are [encouraged][invited] to report to the International Conference, through the Secretariat, on the implementation efforts and the progress of indicators and milestones, and contributions to implement [the beyond 2020 instrument] in meeting the strategic objectives and their associated targets toward vision.

JPN para 3. Upon request by the Secretariat, all stakeholders are encouraged provide information related to their implementation efforts. Such information should be provided in an organized and transparent manner in an online template, consistent with any guidance or template provided by the international conference. Such information may also include reporting on voluntary commitments as well as pledges or similar activities.

JPN para 3Bis. The Secretariat prepares for its compilation, [analysis], and presentation to the International Conference [and relevant meetings] and to the public in a form that helps visualization of the progress of the instrument in a communicable manner.

JPN 7. Responsible organizations should be designated to evaluate impacts indicators of [the instrument] as decided by the International Conference. They are tasked with preparing a report on the evaluation and presenting it to the International Conference.

JPN 7bis. In relation to impact evaluation, responsible organizations may, with support from the Secretariat, request stakeholders to provide complementary information, as appropriate. Stakeholders are encouraged to provide such information to responsible organizations when requested to do so.
