

## **SUBMISSION BY BRAZIL**

### *Institutional Arrangements*

#### **Section V (A)**

On the International Conference

- The International Conference should invite representatives from the environment, health, labour and agriculture sectors involved in chemical management and safety issues, as well as strengthening financial support for developing countries, as well as countries with economies in transition to attend the meeting.
- The International Conference should design its agendas with sufficient space to allow meaningful discussion of priorities, gaps and implementation issues faced by different sectors.

#### **Section V(B)**

On the Bureau

- In order to ensure a balanced governmental sector representation in the governance arrangements, the Bureau shall include senior government officials from different sectors and select chairs/co-chairs of health and environment sectors.
