

Alternative Proposal to «Trigger proposal»

D (iii) Determining the need for further work on an issue **of concern**

Determining the need for further work on an issue will be based on a full explanation of the rationale and recommendations on a way forward, including options on how to reach the defined targets for the Issue of Concern, provided by the ad hoc multi-stakeholder working group, with support by the secretariat, ~~in consultation with the multi-stakeholder committees~~, to the Conference following the progress evaluation of the activities carried out in accordance with the workplan defined targets for the Issue of Concern.
